Audiences immediately see that we truly enjoy making music and performing together; better yet, the fun that FRS creates is contagious! In addition to a great show and great music, here's what the Fabulous Roofshakers offer:

- A loyal fan base;
- A large email list and a Facebook page to contact our fans;
- Flyers provided to clubs in advance for promotion of our performances and to assist bringing in additional business; and
- We are consistently asked for return engagements at clubs, festivals and parties due to valued relationships between owners, customers, and our fans.

We understand that you work extremely hard to make your business a success, and that providing live entertainment is part of that commitment. We'll help to provide you a great return on your investment by presenting high quality music and entertainment at a reasonable price.
